Your main drawbacks will be egoism, pessimism, nervousness and garrulousness.

The structure of the face will be broad and healthy. The bend of the eyebrows and the shape of the forehead will resemble that of a lion.

Your walk will be as fearless and as balanced as a lion and her physique will be well built.

Your eyes will be beautiful and expressive. You will have strong bones, broad shoulders and a wide forehead.

SECOND HOUSE [DHANA BHAVA]:

This house basically covers matters related to your family life, speech, thinking patterns and accumulation of wealth, success in investments, income source and general level of affluence.

You are particular and exacting about money and possessions.

You earn and accumulate by using your mind and attention to detail.

You appear very careful with financial affairs, but often you can become somewhat penny-wise and pound-foolish.

You may save on trivialities only to squander major amounts on luxuries and expensive entertainment.

You enjoy being entertained and served in a royal fashion.

When financial affairs aren't in good order, worrying about them can affect your health.

There is a tendency to be particular and exacting in money matters.

Since you like teamwork in business, you will include their friends in their financial plans or perhaps make your money through large corporations or group endeavors.

THIRD HOUSE [SHOURYA BHAVA]:

This house basically covers matters related to your initiative, courage, competition, communications ability, siblings, friends and other associates.

Your thoughts and ideas are expressed with a graceful flair.

You will have artistic talent as a mode of communication.

You are eager to have others agree with you, and your method of obtaining this is the use of tact and finesse.

Your mind is highly refined, artistic, and idealistic.

You get along easily with family members because you dislike conflict and argument.

You are adept at the art of cooperation and adjustment.

You express their ideas gracefully.

You are friendly and just toward their brothers, sisters, and neighbors.

You like to travel in luxury. If you are writers, you like to have partners in your literary endeavors.

FOURTH HOUSE [SUKHA/MATRU BHAVA]:

This house basically covers matters related to your parents, domestic harmony and the level of happiness in life.

You have extremely strong feelings about the home and family life.

Certain matters regarding family matters are kept locked away and very private.

There is a strong loyalty and protective tendency shown toward family members.

You don't waste time coming to their defense when this becomes necessary.

In return, you expect the complete respect and loyalty of your family members.

In the early home life, you were strongly influenced by the parent of the opposite sex.
You have a sense of royalty, splendor, and space in the home environment.
Even if you are not born to this, it's very likely that you will be living in the grand style later in life.
You do a lot of growling around their family; it's the nature of the beast.
But the privilege to growl is confined to the king.
Outsiders should not step on the toes of any member of the family or they will know what it is to have a lion at bay.
Often there is a great deal of activity in the basements of your homes or in your dens, and you need your own private 'dens' somewhere.

FIFTH HOUSE [ATMAJA BHAVA]:

This house basically covers matters related to your children, status and creative powers.
You want to provide the best for your children, even spoiling them.
You have expansion and good fortune.
You have a constant need to show off, and you enjoy the thrill of any adventure.
You are a natural gambler who will speculate on just about anything.
You have a good understanding of young people, and you can get along with them so well because you treat them with true respect as individuals.
Your self-expression is marked with optimism and high expectations.

Even if there are forces out there that impede your progress, it is hard to dampen your spirit.
You are artistic and creative, and usually flamboyant.
You enjoy giving lavish parties and will spend their last cent to present a spectacular evening. I
You especially like religious and philosophical dramas that give them insights into life's significance.

SIXTH HOUSE [VIGHNA BHAVA]:

This house basically covers matters related to your enemies, health problems, debts, obstructions and service to others.
You have a capacity for concentrated hard work.
Unfortunately, you often works diligently in areas where there is less than truly satisfying responsibility.
You may tend to pick work that is limiting and not fulfilling.
Your sense of responsibility can cause you to push yourself until you have physical problems.
You fail to count the cost of your attitude toward work, eyeing only the achievements.
As a supervisor, you are stern in demands and apt to be a disciplinarian.

Yet you're as hard on yourself as you are on others.

You are very stable in your occupation, remaining hard at work until you have risen as high as you can go.

Oddly, sometimes just the opposition of this compulsive work ethic may be the case.

Some time you can avoid work altogether because of disinterest in your lot.

Nonetheless, you aren't afraid of a challenge and assuming responsibility.

No one will work harder than you to meet the test.

You are intensely serious about their professions.

Anyone who scoffs at your endeavors at work will again have a lion to deal with.

When you work you work hard. You are organized in you work.

SEVENTH HOUSE [KALATRA BHAVA]:

This house basically covers matters related to your marriage, partnerships and all other relationships.

You have a drive for independence in relationships.

It often shows a degree of trouble on this account.

You are inclined to pick a partner who, like yourself, is highly individualistic and independent.

You attempt, nonetheless, to keep a tight rein on your mate, though you may insist on maintaining much of your personal freedom.

You're the sort who wants to have your way, to do what you want, when you want.

This attitude doesn't lend itself very much to marriage unless you can find a spontaneous person who can adapt to your style.

A mutual understanding must be reached.

Partners will be friends, and the most fruitful relationships for you are likely to be those that remain detached, and those in which the two of you are not so demanding upon one another.

In partnerships, you like to be free.

You are humanitarian in public relations and enjoy creating the image of altruism.

You have an instinct to centralize things in partnerships, and when you are married you want to know, for no rational reason, the whereabouts and activities of all.

The king must know what his queen is up to.

EIGHTH HOUSE [GUHYA BHAVA]:

This house basically covers matters related to unknown or hidden or suspicious issues, unearned wealth, sudden losses of wealth and also property and luck.

You have a strong intuition and sometimes even psychic inclinations.

There is worry and concern over joint financial affairs, even when there is no real reason for such concern.

Personal desires may have to be renounced.

There is likely to be confusion or disappointment concerning legacies and you may be deprived of what you assumed was to be yours.

The nature of Pisces is compassion, and in a material sense, you are likely to be called on to meet obligations and responsibilities to satisfy your inner needs.

Even though you know that death ultimately comes to all people, do not dwell on the idea of dying. Conversely, you do everything possible to postpone the final day.

You could be especially frequent pill poppers, even if the pills are vitamins and minerals.

Generally there are peculiar conditions concerning inheritances, and many times your inheritances are dissipated even before you receive them.

NINTH HOUSE [DHARMA/BHAGYA BHAVA]:

This house basically covers matters related to your level of luck, length of marital life, interest in religion & spirituality and level of morality.

You have an optimistic and forward-looking spirit.

You take the initiative in forming plans, realizing that all enterprises begin with ideas.

You have no problem visualizing your goal and you are such a positive thinker that you are sure you can get there.

No matter how bad things get today, you know they'll be better tomorrow.

You're a trail blazer that loves to travel, but you want to have the path well planned and know the reason for the trip.

You natives instinctively know that all things originate in the Eternal.

As a result of your visionary thought, your creativity is often expressed dramatically.

You do not want to be suppressed by traditional religious forms.

You tend to be crusaders for your ideals.

TENTH HOUSE [AGNYA/KARMA BHAVA]:

This house basically covers matters related to your career, your Karma & the kind of deeds, your authority and name.

You have a drive to earn money in the main to support a standard suitable to your high self-image.

You have a strong drive for personal prominence.

Even if you are not at all well to do, people will never realize it because of the way you present yourself to the world.

You are possessive of what authority you may develop and you find it difficult to relinquish the reins of power.
You can't delegate authority well because of your need to show what you, yourself can do.
You often inspire artistic leanings in the chosen career.
Art, theater, and music are apt to be important parts of your social life or public image.
You are interested in matters that bring pleasure to the public, or anything that brings beauty to people.
You desire prominence and wealth.

ELEVENTH HOUSE [LABHA BHAVA]:

This house basically covers matters related to your gains and inflows from various sources.
