Please find the reply of your Vastu questions given below:

1) PLEASE NOTE THAT SINCE WE MOVED TO THIS HOME LAST AUGUST (21ST AUGUST,2008), WE CONTINUE TO BE BURDENED WITH HEAVY LOANS AND FINANCE INFLOW HAS SLOWED DOWN DRASTICALLY. PLEASE SUGGEST WHETHER THIS IS DUE TO VAASTU ISSUES. IF SO, PLEASE SUGGEST REMEDIES AND WAYS TO IMPROVE OUR FINANCIAL SITUATION?

Yes, it is evident from the information that the house you are living in is not vastu friendly. Especially the slope of the house is just opposite to vastu mandala. The slope of the house is going from south east to North West and this type of slope drain out the money from the house. The land should either slope down toward the north or east, but not toward the west or south. Land sloping west brings financial loss. Kitchen and the main door is also not fixed properly. If the entrance of the house is to the south, there should not be a balcony or verandah in front of the door.

Place of worship is correct. The altar should be located on the northeast side of the temple room. The deities or pictures of the deities should either face east or west, and should not face north or south. It is best that the Deities face west and the worshipers face east.

The major problem of financial issues is due to running unfavourable dasha of moon/ketu and vastu flaws added more problems in it. You are suggested to make some inside directional changes of the things to make it vastu friendly. The suggestions are given in reply no.2.

For getting rid of loans you are suggested to recite narsimha runamochna stotra for at least 8 or 18 or 32 or 64 times a day daily. It depends how much time you can do it comfortably. But when selected the number of recital then fix to that number of recitations.

You can also install vastu dosh nivarna yantra to make the negative vibes less effective.

2) AS THIS IS THE BUILT HOME, WE CANNOT MAKE CHANGES TO THE STRUCTURE. KINDLY SUGGEST THE REMEDIES FOR ANY VAASTU PROBLEMS?

Vastu dosha can be reduced by making some changes inside the house. You can also install vastu dosha nivaran yantra. Certain feng-shui items are also observed to be effective to reduce the vastu dosha. Like Buddha Wealth basket, Gems tree, golden boat, Lucky Wealth Vase Set, Brass ship of wealth, wooden sword of protection, wealth crab, pink wealth peaches. These items are easily available on any feng shui store. These things also enhances the diǵ ½cor of the house. Things to be kept in mind for living room:

The living room should be on the north side of the house. Furniture should be square or rectangular, not round or oval. It is good if the ceiling slopes down toward the northeast direction. The air-conditioner should be in the west, not the southeast. Furniture should mainly be in the west and south section of the room.

The walls should be painted white, yellow, green, or blue, never red or black. Depressing paintings should not be placed on the walls.

KITCHEN:

Cooking should be done in the southeast corner or on the east side of the kitchen. It is best to cook while facing east, but facing north is also all right. It is advisable not to put the stove on the northern wall. The cooking platform should not touch the wall but should be placed at least 8 cm (3 inches) from the wall. The stove should not be in front of the kitchen's door.

Electrical items such as microwaves, grinders, and mixers should be placed in the southeast corner of the kitchen. The sink should be in the northeast corner. The southwest wall should be used for storage.

The refrigerator should be in the northwest, southeast, south, or west. It should not be placed on the northeast side. If it is on the southwest side of the kitchen, be sure to set it away from the wall.

For keeping money: Do not keep money in a place facing south.

BEDROOM:

It is suggested to sleep head facing east or south. Upon rising from bed, the right foot should be placed on the floor first. The wardrobe should be located on the northwest or southwest side of the bedroom. TV, heaters, and air conditioners should be located in the southeast corner.

3) WE HAVE FIREPLACE IN NORTH/NORTH EAST DIRECTION AND WE HAVE TELEVISION SLOT ON TOP OF FIRE PLACE. KINDLY SUGGEST WHETHER THIS IS OK. IF NOT, PLEASE SUGGEST THE REMEDY FOR THAT.

A television can be placed in the southeast side of a room. It should not be kept on the fire place especially if the fire place is in use. You can use LCD placed on the wall instead of keeping it on the fire place.

Best Regards,

Pt. Punarvasu
