General State of Health

Your zodiacal sign rules over circulatory system, blood-pressure, calves, shins and ankles. These are your vulnerable areas which may lead to varicose veins, heart palpitation, poor blood circulation, muscular spasms and injuries to calf and ankle. Your dogmatic approach to work and over-optimistic deadlines lead to tiredness and muscular tensions which may pave the way for disease setting in. You should take regular exercises. You should take plenty of pomegranates, spinach and quince; these will keep you fit and forever young.

2. SUGGESTED NAME LETTERS O, Va, Vee, Vo

3. EDUCATION: -

The combinations of planets in your chart will bless you with a very keen intellect and a high level of education. You will be holding a Master's degree at least. You will have your interest in various fields and will have informal studies in a wide range of subjects. You may also pursue some hobbies which will give you distinction. You will be respected in the social circle for your accomplishments and people will seek your valuable advice on important matters. You will do well in any branch of Engineering -- be it Mechanical, Electrical, Civil or Metallurgical.

4. Wealth and Inheritance

As regards family-wealth, this may not be a very desirable position for the lord of wealth. But you will have gains and happiness through friends and socializing. You will have favours from females, a fruitful marriage and life-long happy associations. As regards domestic environments, it will normally be quiet and peaceful although occasionally you might have some intolerance among family-members. Since you will be an embodiment of patience and perseverance, you will be able to manage it all. In your chart the lord of earnings placed in the unfavourable 6th house gives rise to problems in respect of your health which may in turn affect your earnings. Your relatives may not be well-disposed towards you while some of your employees could be deceitful opportunists who might cause losses to you. The favourable lines for you are medicines and hospital good, domestic utility equipments, industrial consumables, repair-maintenance spare parts, etc.

In your chart the lord of inheritance being placed in the Ascendant is a very fortunate indication in respect of inheritance. You will not only have substantial property from your parents but also will receive a legacy through your marriage-partner who will have an aristocratic background. In one respect you should remain careful that you will be prone to accidental mishaps, which can inflict head-injuries.
