Dear ABC,

THANKS FOR CHOOSING <http://www.indastro.com/>

We have been providing astrology consultation and advice on true vedic principles on the internet since 2000 and serviced over a million customers with our free and premium services. We have prepared Jupiter & Saturn Exalted Fortune Report:

A.

Results of exalted Jupiter:

In exaltation all positive natural significations of Jupiter will be promoted and all negative natural significations will be toned down.

Expansion of all things positive will be much promoted.

You will see progress in overall fortune and good luck, increased inflow and retention of wealth, success in life, increase in your wisdom, honesty, principles, proficiency in learning new subjects and developing new skills, acts of benevolence and religious merits, devotion to God, to holy places and to superior persons.

Possibility of marriage, birth of progeny and their excellence and growth will be supported where applicable.

On the other side, intellectual arrogance, over confidence, tendency to hoard [not savings or investments] money and problems of digestive system and obesity will be reduced or controlled.

Effects of exalted Jupiter in relation to other planets in your birth chart:

Jupiter square to natal Sun:

This transit will make you very proud and arrogant, vain, prodigal and wholly wasteful of your substance.

You will be addicted to major quarrels, intemperance, drinking, gaming, or any other species of folly to look great in the eyes of others.

You will be unfortunate, despised and not good in any way.

Basically this is a transit for your discipline and self restraint that will give you a chance for growth and expansion.

Ego inflation and excessive pride are the negative effects of this transit.

So you must be careful to not act in any over bearing manner.

But you can afford good and normal confidence.

You may have conflict with law or with somebody in the court of law.

So show a spirit of compromise.

Jupiter square Mercury:

This transit will increase your mental activities.

Do not force your view points over others but must listen to them even their criticism.

In this way you will gain while making the decisions, planning and negotiations.

It is a good time for optimistic and positive feelings and having normal confidence in yourself.

DO NOT over extend yourself and always avoid quarrels and confrontations.

#### Jupiter sextile Moon:

You will have positive and optimistic attitude towards others.

You will be subtle, easily persuaded to change the situation.

#### Jupiter sextile Saturn:

You will be too cautious, fearful and melancholic.

It is a period of expansion and growth.

Through a careful and pragmatic point of view, you should do everything with prudence and caution.

You will be oriented to work and duty.

Proceed careful for financial investments for gain.

#### Jupiter sextile Mars:

This transit will make you bold, generous and very ambitious.

You will be lucky in combative situations.

You will feel self confident and will be capable of tackling any problem.

You will act decisively and with conviction.

Your sphere will be enlarged and you will get good opportunities.

Good health and physical vigor will be yours.

B.

#### Results of exalted Saturn:

In exaltation all positive natural significations of Saturn will be promoted and all negative natural significations will be toned down.

You will become more tolerant, patient, disciplined and diligent.

You will have better foresight and sharper ability to plan your future and to develop your life to realistically achievable levels through honest hard work.

You will shun laziness and shortcuts, and will become more obedient, patient, dedicated, focused, law abiding, rational, practical and thrifty and will also avoid wastefulness and will develop and apply more maturity.

#### Effects of exalted Saturn in relation to rest of the planets in your birth chart:

##### Saturn trine Ketu/sextile Rahu:

You will have very good working habits and broad and serious outlook and you should stick to them.

The more you work hard the better will be the rewards.

Emotional and spiritual maturity is seen in this period.

##### Saturn sextile Jupiter:

You will need to work very hard during this period and take advantage of every opportunity for growth and expansion.

It is a favorable period for occupation and for getting appreciation and good will of all.

This period is also good for intellectual and spiritual progress.

Long plans made now will be completed successfully.

#### Saturn over Mercury:

This is a difficult transit.

your intellectual and mental view point will be narrow.

Communication will either fail or be unfavorable.

You may over look important points or details of some work and this can cause failures.

Nervous system, speech and hearing can be affected.

Avoid being too exacting or critical of others in any manner or subject.

#### Saturn over Sun:

This transit will offer mixed results.

It is a time of tremendous responsibility and hard work leading to success of old projects and to get the best out of them.

It is a time for focusing all your energies and not for scattering them.

You will spend on unwanted ventures and will be deprived of comforts of children.

Your freedom at work will be much restricted as well as within the family.

Do not take on any new projects [if possible] as too much responsibility can cause health issues.

This time will hold the chance of personal and professional defeats in some issues but there will be no failure.

#### Saturn sextile Venus:

You will maintain relations in a strictly practical way and help others so long as they help you.

You will be fond of women and every degree of indulgences connected with them.

This does not indicate love as love or romance and all affections will be subordinated to what you consider as practical needs.

Gain through creative projects is possible.

Unique results of Saturn's & Jupiter's combined exaltation:

The following effects will be quite prominent and will have far reaching consequences both in short and long term since both the planets are slow moving and are very strong.

Thus adequate timing and self control in all actions will be called for to achieve the best results out of this combination.

Overall effects of the joint exaltation for you:

Many adjustments in your life will be made during this period, separating you from persons and circumstances that are doing you no good.

You will change many standards of behavior and morality.

You may experience some tensions during this process but ultimately this will be to your advantage.

Select your advisors very carefully.

Though you will feel restless and uncertainty at times, do not do anything in a hurry.

Stay careful about your finances.

Changes in job will be possible and will be good for you.

However making decisions will be quite difficult.

On the negative side, you may have to face some troubles and sufferings and persecution by the authorities.

You may also lose through your own mean actions, folly or selfishness.

Restrictions will come to your working.  
 You may experience some frustration in your work.  
 The period will not be basically much favorable for finance, business or career.  
 Changes in your environments, at home, at work or in social circles and these will cause much restlessness.  
 Change of job or residence or both are possible.  
 At home children [not necessarily yours] will irk you and oppose you and these will make you very unhappy.

Specific results that would be experienced by you but not apparent to the outside world:  
 Your communication will be adversely affected.  
 You will get into a combative mode too easily and this will cause obstructions and unhappiness to you at work and also at home or in society.  
 All relationships will suffer in some way or the other.  
 Differences with relatives or colleagues or superiors will need specific attention to keep the outcome favorable for you.  
 Restrictions in business or job will not allow you to use your normal capacity or intelligence or ideas fully and thus progress will suffer.  
 Financial crunch will be another major point of obstruction to your overall progress.  
 All matters having any legal implication will need very careful handling.  
 Try to avoid litigation.  
 Your nature and attitude will tend to be rather cruel and stern.  
 You will be impatient and your physical vitality will be disturbed leading to physical sufferings.  
 You will often find that you have no energy left with you when you have a lot to do and also the vice versa.  
 Sexual energy will rise too much, leading to possible situations of promiscuity.  
 Health will remain affected by emotional imbalance appearing very suddenly.  
 It is important to release such feelings in some way or the other.
