### **A: Effects of transit of Jupiter in Cancer in your horoscope till 14 Jul 2015:**

As per the planetary combinations in your chart you are under the influence of the major period of Mars and the sub-period of Jupiter from 17 December 2013 to 22 November 2014.

Jupiter is in the fifth house. The fifth house is the house of education for a child, birth of children for a young person and spirituality in middle and old age. This house indicates worship of God. The fifth house represents the higher education, intelligence, emotions, karmas of previous life, change or break in professional life and Body Part: upper abdomen. This house basically covers matters related to your children, status and creative powers. This house also represents loving relationships, love marriage, social networking, authorship, media studies and creativity.

Jupiter in the fifth house is favorable for these locations of your life. You will take interest in higher learning, spirituality and relationship with children will improve.

This period is good for prosperity, improvement in standard of living, step by step progress, and social networking. You would be able to make best use of hobby, talent, creation and communication skills and impress people around you. You will expand your social circle and make more contact with groups and friends. A short vacation allows you to enjoy natural surroundings with a loved one. Happiness and fulfillment through the expansion of your mind, widening your social circle, travel, and connections to people of a different cultural background than you is indicated.

You will be under the influence of the sub-period of Saturn from 23 November 2014 to 31 December 2015.

### **Saturn is in the twelfth house**

The twelfth house is the last house of the horoscope. It brings expenditure on health and family needs, disturbed sleep, worries, investment, hospitalization, foreign journeys, getting settled in a foreign country, trade with a foreign country, love and physical chemistry between the couple, spiritual practitioners the events beyond your control. In modern context the twelfth house indicates jobs in agencies funded by foreign investors, corporate sector and multinational companies.

This period will energize these locations of your life.

During this period you might shift from one to another place due to job change. The improvement in work environment, job transfers, and new opportunities in professional terms can be there for you. Setting up objectives and priorities shall add upon your credibility in professional terms. Decisions shall be made after thinks pro and cons. Insensible decisions can lead to problems for you.

Money matters will take an upward turn. But rise in expenses may also bother you. A small increase in income could make a big difference if you use this money wisely. Creating a personal budget will help improve your situation for some time to come. Making economies won't necessarily lower your standard of living.

Adapting to new techniques and ideas shall make you move closer towards your professional goals. It is advised to use your organizational skills for professional advancement. Your popularity will improve and you will be highly appreciated by your seniors. It's time for you to follow up a heated conflict with cool relief. Losing temper will be unfavourable.

Some difference of opinion may cause confusion within close relations. Your irritation and ire will be the cause of confusion. Avoid discussing any sensitive topic with your family members as it could create confusion. Maintaining peace and harmony at your home will be solely your responsibility. Hence, you have to control variations in mood, and handle situations with a great deal of maturity.

Be careful about taking on increased expenses. The key is to spend less than you make so should you get a raise, keep your lifestyle affordable and stock some extra cash away. You should avoid junk food during this period. You should take care of your health, eat well and rest well. Avoid over indulging in food or drink, as excess of any kind are best to be avoided. You will need to take special care of your digestive and reproductive health.

Some business associates/co-workers may create hassles for you. Business trips may not be fruitful. You should learn to relax to avoid unnecessary mental stress when things seem to be stagnating at the professional front. Resist the urge to change jobs on an impulse driven by feelings of disappointment or frustration. This is also a period which can create troubles or messy situations due to carelessness or negligence creating worries and unnecessary troubles. Looking at life from a realistic point of view will save you from disappointment.

Health issues will be less significant, but you mustn't get your focus off it completely. Keep looking after your heart and continue to pay extra attention to your lungs and shoulders. What is more important, however, is to maintain your mental health. Don't be a pessimist, think positively. Be particularly more careful about your health now. Regular physical exercise is advisable, but spiritual healing like Yoga and meditation will work best. Always try to build positive energy around you as it will help maintain equilibrium in your life and give you the psychological strength to fight any kind of stress. Do not entertain argument and avoid risky activities. Drive more carefully. Go slow and take one thing at a time. You will have to keep your cool and focus on your health at all times.

This will be favorable period to get a job in multinational companies and make global connections.

Your health may be little upset. You need to take a little care about your diet. Due to improper diet your immune system may become weak to fight against ailments. Practice 10 minutes of Yoga or breathing exercise everyday and it will keep you fit and fine. Avoid rash driving and impulsive thinking.

**B: Effects of Jupiter in exaltation in your fifth house from ascendant:**

The fifth house is the house of education for a child, birth of children for a young person and spirituality in middle and old age. This house indicates worship of God. The fifth house represents the higher education, intelligence, emotions, karmas of previous life, change or break in professional life and Body Part: upper abdomen. This house basically covers matters related to your children, status and creative powers. This house also represents loving relationships, love marriage, social networking, authorship, media studies and creativity.

Transit of Jupiter will energize these locations of your life.

You are sensitive, devoted and strong family person. You keep your commitments. Professionally, you have a busy life. You want to give due respect and love to all the relations but it is not easy to maintain that equilibrium all the time. Your family will be missing you as you will be busier professionally in this period. Try to spare some time for your loved ones and give them exclusivity during this transit.

You should take care of your health, eat well and rest well. Avoid over indulging in food or drink, as excess of any kind are best to be avoided during 2015. You will need to take special care of your digestive and reproductive health. Your self-discipline, self-monitoring and control over your daily routine will be beneficial to you. Slow down on the junk: Avoid eating too many high-fat-food contributes to high blood-cholesterol levels, which can cause hardening of the arteries or heart disease. You should avoid carbohydrates and sweets. Your emotional and spiritual well-being needs attention. You'll need to manage your stress levels, it's important that you get enough sleep, eat well, and keep yourself organized. Avoid over indulging in food or drink, as excess of any kind are best to be avoided. You will need to take special care of your digestive and reproductive health. Keep your exercise routine and good eating habits up. Add more raw juice, fiber, and vegetables to your diet to keep your digestion healthy and indulge in deliciously prepared organic produce.

Alongside your health, your family's health will also need more care this month. And this does not necessarily mean popping more vitamin pills. Just do away with all the unhealthy objects and habits prevailing in your house and make it healthier by adding more green. Also ensure sufficient ventilation, open the doors of your house to positive energy of the strong winds and let it cleanse your house of all negativities. A home gym or a walk in the garden will also be a great idea.

You should avoid under-hand dealings. There could be a gap between what you're actually qualified to do and your own confidence levels. You may get indulge in unnecessary expenses but you need to put a hold on it. Don't try to take risks in business matters. You may start to seek passive income, ways of making money while you sleep. Just beware of pyramids and get-rich-quick schemes. Avoid speculation and stock market investments. This is not a favorable period for elderly and sick family members. Health of spouse needs to be watched.

## **C: Things to do and avoid for best results:**

This could be a transit of mental restlessness. The pace of your life may be a bit hectic, and if you're not used to it, it could make you a tad nervous. Avoid rash driving and follow no hurry no worry policy. Health of a family member needs to be watched. What is more important, however, is to maintain your mental health. Don't be a pessimist, think positively. Be particularly more careful about your health now. Regular physical exercise is advisable, but spiritual healing like Yoga and meditation will work best. Always try to build positive energy around you as it will help maintain equilibrium in your life and give you the psychological strength to fight any kind of stress. Do not entertain argument and avoid risky activities. Drive more carefully. As a pedestrian you should take caution when crossing streets, intersections and standing on corners. You should also avoid get indulged in unnecessary arguments and avoid stress. Rest and some entertainment will help you extremely.

During this transit you will spend more on luxuries and comforts but it would be better if it is checked out.

Decisions shall be made after thinks pro and cons. Insensible decisions can lead to problems for you. Unnecessary quarrels, misunderstanding and arguments can affect family's peace and serenity.

Don't try to be aggressive in nature because your aggressiveness can shove you into difficult situations. There will be difference of opinion, quarrels, and fighting with your friends. So, try to maintain good relations otherwise there is possibility of straining relations with them.

It would be better to use your own skill and caliber other than thinking of taking help from others. Exercise caution in financial dealings. Say no to those who seek monetary help and focus on saving for rainy days. Little care regarding your health is required during this period. Avoid junk food, cut back on the caffeine, sugar, white flour, and alcohol, and try eating fresh and healthy food only.

Plan your targets and each of your days and act as per your plan.

Honor your labor and whatever results you get from them as this will give you much peace of mind and better health.

Change jobs only when you have another suitable and confirmed offer in your hand.

Avoid ego and stay fully grounded always.

Honor colleagues, neighbors, superiors or elders and ladies in general, at home, at work and in society.

Control all desires to within healthy or achievable limits since all of your desires may not be practical or appropriate for your career, health and life in general.

Rise early and take to bed early so that your mental and physical energy maintains your natural positive vibes in sync with the current positivity of Jupiter.
