

Life Fortune & Karma reading

Dear ABC,

THANKS FOR CHOOSING <http://www.indastro.com/>

We have been providing astrology consultation and advice on true Vedic principles on the internet since 2000 and serviced over a million customers with our free and premium services. We have prepared Life Fortune & Karma Report for Ten Years:

General Readings:

Your Attitude:

Your birth ascendant is Aries.

The Ram is the symbol assigned to an Aries and Fire is the element. The ruling planet for Aries is Mars. Tuesday is said to be a lucky day for Aries. Adventurous, energetic, courageous, and confident are the strengths of Aries. Weaknesses include being self-centered, short-tempered, impulsive, and impatient.

Aries are known to be friendly and outgoing people. You would notice an Aries in a room full of people since they would be the ones talking and introducing themselves. Aries stand up for what they believe in. You will find them rooting for the under dog or defending and assisting those with weaker personality traits.

The Ram symbol is the first zodiac sign. The Ram symbolizes birth and is said to be the infant. In comparison to infants, Aries only are aware of their wants and needs. They are not selfish they just don't always realize they are putting someone else out.

Aries are very trusting and this can make them vulnerable as they believe and trust so easily that they often wear their hearts on their sleeves. Though an Aries can be pushed to have a temper, it normally won't last long. Seldom will you come across an Aries that holds a grudge. Forgive and forget is a motto most Aries live by.

Your Health:

Your health and spirit will be in perfect harmony. You may focus more on external appearances, beauty and glamour. Fitness is a perfect blend of good physical health as well as mental calmness for you.

You'll need to manage your stress levels, it's important that you get enough sleep, eat well, and keep yourself organized. Avoid over indulging in food or drink, as excess of any kind are best to be avoided. You will need to take special care of your digestive and reproductive health.

Avoid rash driving and impulsive thinking while on the way. Follow, the no hurry and no worry policy while crossing the streets.

Keep a close watch on your temperament and swinging moods. Your negative approach towards particular people or situations may affect your health. Try to relax, and opt for relaxation massages or therapies. Schedule a check-up and make a major shift in your habits.

Your Important Years in Life:

The 8, 13, 23, 27, 28, 36, 40, 43, 45, 48, 53, 57 and 63 years of your life will be significant ones.

Detailed Readings:

Next Ten Years: An Overview [1 August 2014 - 31 July 2024]:

All predictions given hereafter are to be understood in light of the above observations and the fact that each result can be modified partly or fully by the transit position of various planets prevailing at any point of time.

Breakdown of the Next Ten Years into sub-periods of the planets:

At present you are under the influence of the major period of Moon, the sub-period of Sun and the sub-sub period of Venus from 1 August to 31 August 2014.

This is an excellent period under which you bring more harmony and pleasant interactions with family and children. You will be very confident with your thoughts and chance of getting monetary gains is highly recommended. Approach towards love, romance and life in general will be encouraging. You will share good rapport with your colleagues and seniors. There will be events of celebrations in close family circle. You will enjoy the company of family and loved ones. You will develop the taste for rich and delicious food.

You will be under the influence of the major period of Mars and also the sub-period of Mars from 1 September 2014 to 28 January 2015.

Mars is the ruling planet of the first and eighth house.

The first house represents the physical body, complexion, health, nature of an individual, longevity, the personal development of the person and the character as a whole. This house basically covers matters related to your personality, looks, attitude, temperament and basic strength of your horoscope.

The eighth house represents the longevity, sudden fall, secret aspects of life, wealth of spouse, disgrace, change, unorthodoxy, inheritance, adjustment in married life, controversy, legacies, sudden financial gains, prolonged illnesses, inherited diseases and conjugal life. This house basically covers matters related to unknown or hidden or suspicious issues, unearned wealth, property and luck. The eighth house of the horoscope is known for struggle, hidden enemies, inherited health problems, joint finances & monetary gains from property, long term investment, banking, fixed assets, sudden expenses, parent's property and ill health of elderly people in family.

Mars is in the second house.

The second house basically covers matters related to speech, thinking patterns and accumulation of wealth, success in investments, income source and general level of affluence. This house is known as family of one's parents.

This house has to be seen for speech, right eye, the food one eats, the money one gets, ornaments, longevity of spouse and marriage.

During this period these locations of your life will energize.

Financially this is a favorable period for you. You will take a high-profile assignment that brings recognition, but also a heavier workload. Your ability to concentrate and focus helps you to achieve what you set out to do. Take care of your health, energy and fitness levels to deal with a busy schedule packed with professional and personal activities. Keep your temper in check from getting into embarrassing situations. Rise in expenses may bother you during this period. You may get a parental property or there will be gains from the property and fixed assets.

You will be under the influence of the sub-period of Rahu from 29 January 2015 to 16 February 2016.

Rahu is in the ninth house.

The ninth house basically covers matters related to your level of luck, interest in religion & spirituality and level of morality. This house is also called as the house of fate and destiny. This house signifies the father, luck, spiritual tendencies, devotion, learning, pilgrimages and association with religious people. In modern context this house indicates events management, show business, long distance trips, jobs in voluntary organizations, charity, social network, global connections and jobs in multinational companies.

During this period these locations of your life will energize. You will take interest in higher learning and making new social connections. Jobs in multinational companies will bring substantial growth. Relationship with family and loved ones remain harmonious.

You will be under the influence of the sub-period of Jupiter from 16 February 2016 to 22 January 2017.

Jupiter is the ruling planet of the ninth and twelfth house.

The ninth house basically covers matters related to your level of luck, interest in religion & spirituality and level of morality. This house is also called as the house of fate and destiny. The ninth house basically covers matters related to your level of luck, interest in religion & spirituality and level of morality. This house is also called as the house of fate and destiny. This house signifies the father, luck, spiritual tendencies, devotion, learning, pilgrimages and association with religious people. In modern context this house indicates events management, show business, long distance trips, jobs in voluntary organizations, charity, social network, global connections and jobs in multinational companies.

During this period these locations of your life will energize.

This period gives you a big push towards solo success. You may discover that you're the one doing all the work and you've given away profit, credit and rights. It's a good time to analyze your work tasks and to streamline them or improve your skills. You will come into contact with higher officials and authorities. Your fame and reputation will be on an increase. Success in examinations, or promotion, or increased recognition in occupation is assured. You will have tremendous confidence to handle any kind of adverse situation. Health needs to be watched. You should follow no hurry no worry policy while driving and crossing the streets. Try to maintain harmonious atmosphere at home and work place. Health of an elderly person in family may suffer.

You will be under the influence of the sub-period of Ketu from 28 February to 27 July 2019.

Ketu is in the first house.

The first house represents the physical body, complexion, health, nature of an individual, longevity, the personal development of the person and the character as a whole. This house basically covers matters related to your personality, looks, attitude, temperament and basic strength of your horoscope.

During this period these locations of your life will energize.

This period brings mixed results. There will be worries related to personal and professional life. Some business associates/co-workers may create hassles for you. Business trips may not be fruitful. You should learn to relax to avoid unnecessary mental stress when things seem to be stagnating at the professional front. Resist the urge to change jobs on an impulse driven by feelings of disappointment or frustration. This is also a period which can create troubles or messy situations due to carelessness or negligence creating worries and unnecessary troubles. Looking at life from a realistic point of view will save you from disappointment.

You will be under the influence of the sub-period of Venus from 27 July 2019 to 25 September 2020.

Venus is the ruling planet of the second and seventh house.

The second house basically covers matters related to speech, thinking patterns and accumulation of wealth, success in investments, income source and general level of affluence. This house is known as family of one's parents. This house has to be seen for speech, right eye, the food one eats, the money one gets, ornaments, longevity of spouse and marriage.

The seventh house of the horoscope is called as Kalatra Bhava means spouse. One gets married in the dasha (period) of the seventh lord. This house gives trips to foreign country, marriage, spouse, lover, business & partnership in business, trade, foreign countries, attainment of post, public image and settlement abroad. The seventh house covers matters related to your marriage, partnerships and all other relationships. In modern context the seventh house indicates jobs in agencies funded by foreign investors, corporate sector and multinational companies.

Venus is in the seventh house.

During this period these locations of your life will energize.

You will buy your home during this period. This period is also good for love and harmony in relationships. There will be many celebrations, get to get-togethers and family meet-ups during this period. Building a home or redecoration can be a passion and you will buy vehicles, electrical home appliances and enhance your standard of living. You will handle domestic issues with tact which creates a harmonious atmosphere at home and among family members. You adopt new styles and invest in cloths, ornaments, perfumes, beauty aids, spa and yoga to enhance your personality.

You will be under the influence of the sub-period of Sun from 25 September 2020 to 31 January 2021.

Sun is the ruling planet of the fifth house.

The fifth house is the house of education for a child, birth of children for a young person and spirituality in middle and old age. This house indicates worship of God. The fifth house represents the higher education, intelligence, emotions, karmas of previous life, change or break in professional life and Body Part: upper abdomen. This house basically covers matters related to your children, status and creative powers. This house also represents loving relationships, love marriage, social networking, authorship, media studies and creativity.

Sun is well placed in the ninth house.

The ninth house basically covers matters related to your level of luck, interest in religion & spirituality and level of morality. This house is also called as the house of fate and destiny. This house signifies the father, luck, spiritual tendencies, devotion, learning, pilgrimages and association with religious people. In modern context this house indicates events management, show business, long distance trips, jobs in voluntary organizations, charity, social network, global connections and jobs in multinational companies.

During this period these locations of your life will energize.

This period is good for prosperity, improvement in standard of living, step by step progress, and social networking. You would be able to make best use of hobby, talent, creation and communication skills and impress people around you. You will expand your social circle and make more contact with groups and friends. A short vacation allows you to enjoy natural surroundings with a loved one. Happiness and fulfillment through the expansion of your mind, widening your social circle, travel, and connections to people of a different cultural background than you is indicated.

Issues of personal courage, confidence and independence may emerge during this period. The Income from foreign sources could also figure. Problems with coworkers and colleagues at work will also be visible. Avoid confrontations with people around. A softer approach can bring good results. This is a favorable period for your children. You will take interest in enhancing your professional skills and higher learning. There will be gains from the people in influential positions.

You will be under the influence of the sub-period of Moon from 31 January 2021 to 1 September 2021.

Moon is the ruling planet of the fourth house.

The fourth house basically covers matters related to your parents, domestic harmony and the level of happiness in life. This house is called as Sukhesh ÆÆÆ means the house which gives happiness from all luxuries in house, conveyance, comfortable life and luxuries, domestic happiness, education which gives satisfaction means education of own choice. This house also represents mother, property, home atmosphere, domestic happiness, female family members, parliament, attainment of post, thrown and improvement in the standard of living.

Moon is in the fifth house.

The fifth house is the house of education for a child, birth of children for a young person and spirituality in middle and old age. This house indicates worship of God. The fifth house represents the higher education, intelligence, emotions, karmas of previous life, change or break in professional life and Body Part: upper abdomen. This house basically covers matters related to your children, status and creative powers. This house also represents loving relationships, love marriage, social networking, authorship, media studies and creativity.

During this period these locations of your life will energize.

You would especially fond of higher studies, children, judgment and spirituality during this period. You would be able to join organizations and groups and attend meetings and social events.

You may visit religious places during this period. You manage to attend to children, family and loved ones with devotion and care. This will be a favorable time to travel and enjoy a journey with your loved one. Different people (those who you don't normally consider your type) attract you. It's time to expand your social network and to make more contact with professional groups and friends.

You will be under the influence of the major and sub-period of Rahu from 1 September 2021 to 14 May 2024.

Rahu is in the ninth house.

The ninth house basically covers matters related to your level of luck, interest in religion & spirituality and level of morality. This house is also called as the house of fate and destiny. This house signifies the father, luck, spiritual tendencies, devotion, learning, pilgrimages and association with religious people. In modern context this house indicates events management, show business, long distance trips, jobs in voluntary organizations, charity, social network, global connections and jobs in multinational companies.

During this period these locations of your life will energize.

The period of Rahu has been found to be a penetrating and a decisive one. Rahu magnifies, exaggerates and magnetizes to lead a person to a dubious life. It carries with it a seduction hard to resist. It pushes worldly life through surreal reflections. The native become non-conformist and unorthodox.

When the period of Rahu begins the native becomes unorthodox. This is good for unconventional ideas and creativity. For example, you could be attractive to western music, cloths, and completely un-traditional life-style. You will experience unusual reactions from others in general seemingly unprovoked and generally unaccountable. Life will be full of surprises. You will have an unconventional way of life and probably have a talent for diplomacy. Rahu brings you close to people from other religion, caste and community. In the modern context Rahu indicates global connections. Thus, you may get jobs in corporate sector and multinational companies. The major period of Rahu also indicates overseas job opportunities and relationship with outcaste people.

The sub-period of Rahu indicates global connections, travel, expenditure, learning online courses, freelancing, professional growth, relationship with outcaste people and jobs in multinational companies.

You will be under the influence of the sub-period of Jupiter from 14 May 2024 to 8 October 2026.

Jupiter is the ruling planet of the ninth and twelfth house.

The ninth house basically covers matters related to your level of luck, interest in religion & spirituality and level of morality. This house is also called as the house of fate and destiny. This house signifies the father, luck, spiritual tendencies, devotion, learning, pilgrimages and association with religious people. In modern context this house indicates events management, show business, long distance trips, jobs in voluntary organizations, charity, social network, global connections and jobs in multinational companies.

The twelfth house is the last house of the horoscope. It brings expenditure on health and family needs, disturbed sleep, worries, investment, hospitalization, foreign journeys, getting settled in a foreign country, trade with a foreign country, love and physical chemistry between the couple, spiritual practitioners the events beyond your control. In modern context the twelfth house indicates jobs in agencies funded by foreign investors, corporate sector and multinational companies.

During this period these locations of your life will energize.

You might get transferred or loose job. Chances of migration shall also be there. You might have to put in tremendous labour to see things going the way you would like them to. Workload may be tiring. By and large, results won't be disappointing but the feeling of delays in activities could be felt. At the same time, this period does not permit you to do things in a big way. An element of patience will be quite normal. Travel regarding business/job will be satisfactory. Sudden financial loss is on the cards. Health of a family member could suffer. A small increase in income could make a big difference if you use this money wisely. Creating a personal budget will help improve your situation for some time to come. Making economies won't necessarily lower your standard of living. Health needs to be watched. This is the time to keep your exercise routine and good eating habits up. Add more raw juice, fiber, and vegetables to your diet to keep your digestion healthy and indulge in deliciously prepared organic produce.

SUB PERIOD WISE DETAILED READINGS:

You will be under the influence of the major period of Mars and also the sub-period of Mars from 1 September 2014 to 28 January 2015.

Career:

This is a bright transit for professional prospects and you will be generally successful. You could be called into a position of high responsibility and leadership. You may be offered a job with a prestigious and well-established corporation, a huge industry, or even with the government. A promotion and a fancy new title are possible, and if you've outgrown your current position, this would be a great period to seek something new. Chances of change of job shall be there. Otherwise you may get transferred into another department.

Finance:

You will truly multiply your income and earning potential in during this period. You may also have more commitments and responsibilities, be careful about taking on increased expenses. The key is to spend less than you make so should you get a raise, keep your lifestyle affordable and stock some extra cash away. There will be gains from the property and investments.

Love Life:

Strong, matured and healthy relationship can be one of the best supports in your life. This is the time to recognize what's important to your partner. Pay attention to what makes your partner happy, interests, and be careful not to take actions that will restrict that happiness. Knowing what is truly important to your partner can go a long way towards building goodwill and an atmosphere of compromise. It's equally important for your partner to recognize your wants and for you to state clearly.

Marital Life:

You are sensitive, devoted and strong family person. You keep your commitments. Professionally, you have a busy life. You want to give due respect and love to all the relations but it is not easy to maintain that equilibrium all the time. Your family will be missing you as you will be busier professionally in this period. Try to spare some time for your loved ones and give them exclusivity.

Children:

Children will do well in their career.

You will have cordial relationship with them.

Health:

Health will remain good but there are chances of some minor health ailments. Nothing to worry much as you will recover soon. Avoid rash driving and impulsive thinking while on the way. Follow, the no hurry and no worry policy.

Keep a close watch on your temperament and swinging moods. Your negative approach towards particular people or situations may affect your health. Try to relax, and opt for relaxation massages or therapies. Schedule a check-up and make a major shift in your habits.

You will be under the influence of the sub-period of Rahu from 29 January 2015 to 16 February 2016.

Career:

This period brings growth, achievements and throughout success. This could be an excellent period for improving your skills, objectively and identifying your weaknesses. You will improve your work methods or approach to daily activities. You may attend an online or part time course. An exciting job offer, recognition or promotion is possible. You could also be benefited through freelancing, social networking and creative work. Jobs in MNCs will bring substantial growth.

Finance:

Financial prospects will be good.
There will be routine increments.
Expenses on family needs will rise.
There will be gains from the long term investments.

Love Life:

This is the perfect time to initiate more romance and make long lasting connection. Try to make your beloved feel special and you may be in for a pleasant surprise! If you want your relationships to blossom, there's no harm in taking the first step. If you like something about someone, express your emotions. If you don't like something about someone, it is important to convey that as well.

Married Life:

You will be sincere and loyal towards your family and children. Overall love, understanding and mutual support shall increase. The domestic environment will remain peaceful and you may go for outing and vacation with family and children. You may find increased love and mutual understanding with spouse and will do lots of activities together. Health an elderly person in family may suffer.

Children:

Relationship with children will improve.
They will do well in their career.
You may hear good news related to child birth.

Health:

This period is likely to be absolutely trouble-free, as long as your health and fitness are concerned. You will be more conscious about your health and physical appearance. You will make conscious efforts to work on your body and fitness, your appearance will surely improve, and these changes will make you feel better about yourself.

You will be under the influence of the sub-period of Jupiter from 16 February 2016 to 22 January 2017.

Career:

During this period you may change job. Chances of loss of job shall also be there. The improvement in work environment, job transfers, and new opportunities in professional terms can be there for you. Setting up objectives and priorities shall add upon your credibility in professional terms. Decisions shall be made after thinks pro and cons. Insensible decisions can lead to problems for you.

Finance:

This period indicates sudden expense on health and family needs. Money matters will take an upward turn. A small increase in income could make a big difference if you use this money wisely. Creating a personal budget will help improve your situation for some time to come. Making economies won't necessarily lower your standard of living.

Love Life:

You have to be calm and focused in personal life that you could be able to communicate and express your love effectively. The key in a strong relationship, though, is not to be fearful of conflict. You need to be safe to express things that bother you without fear of retaliation, and be able to resolve conflict without humiliation, degradation or insisting on being right. Create a safe environment where you can trust and share openly without being afraid. Channel the energy of your emotions so that you say what you need to say in a constructive manner.

Married Life:

This period brings mixed result. Rise in expenses on family needs may bother you. There will be many family responsibilities. It's a strong period for clearing the doubts, but respect and sensitivity are necessary for this to be productive. A softer approach and efforts would help in peace of mind and harmonious relations.

Children:

Relationship with children will remain harmonious.
They will do well.
Rise in expenses on them shall be there.

Health:

You may go through some health issues, and as a result your overall energy level may fluctuate. Good thing is that you won't be ignoring your health. You will have time to take care of your own self. You need to relax your mind and body both, being too active will surely make you feel drained.

You will be under the influence of the sub-period of Saturn from 22 January 2017 to 3 March 2018.

Career:

During this period you may be promoted on a higher post with additional responsibilities. Your career could take a high-profile turn, so prepare for added responsibilities and even a new title. While you'll definitely need more structures to manage it all, you've been getting used to a tighter timeline. If you're going to take over your world, this kind of order and precision will be an essential skill.

Finance:

There will be good chances of entering into profitable deals. You will be able to balance professional and domestic commitments intelligently and give your best to both these vital aspects of life. Your cherished desires will be fulfilled with difficulty but will ultimately bring you prosperity, fame and good income or profits. You will emerge as winner in competition and successful in interviews.

Love Life:

This period indicates ups and down in love due to time bound work commitments. Healthy relationships are built on give and take. If you expect to get what you want 100% of a time in a relationship, you are setting yourself up for disappointment. Healthy relationships are built on compromise, and it takes work on each person's part to make sure that there is a reasonable exchange. During this month you might find yourself getting a little obsessive. If things have gotten a little complicated in your love life, you need to listen to each other without interrupting or taking things personally. With lots of patience, you can get to the other side of a sticking point now. This is the time to really connect on a deeper level instead of getting swept away by good looks and charm. The root of improved relationship will be inner-confidence, contentment, and balance of mind.

Married Life:

You are sincere and devoted in your relationship and dislike giving up easily. Your relationships do not break easily. You are a very good partner. You will stick in some fuss between you and your partner and this will disturb you mentally in this period. It will take some time to improve your relations. Be positive as it is a temporary phase. Health of a family member may suffer. This is not a favorable period for elderly people in family.

Children:

Relationship with children will improve by mutual love and harmony.
You should try to discuss and know their problems.

Health:

There will be slight decline in health. You will also need to be vigilant about your health. You are advised to avoid over exertion and physical/mental stress. Don't over indulge yourself, especially in exercise. You should find balance and maintain it.

You will be under the influence of the sub-period of Mercury from 3 March 2018 to 28 February 2019.

Career:

This will be an excellent period. Written tests, personal interviews and exams go well at this time. You will achieve something special in your profession which will add to your respect. There are strong indications of a promotion and perhaps even a change of place. Jobs in publications, media and academics will bring substantial growth. You should try to maintain cordial relationship with co-workers and people on influential positions.

Finance:

You'll come up with some creative cash-boosting ideas. You could be offered deal or contract, possibly from a long-distance client. Publishing, teaching, or travel may be part of the picture. You will be filled with amazing ideas and inspiration. You could play a role of consultant and advisor in financial matters.

Love Life:

This period is favorable for getting in touch with a loved one through mails, chatting, social networking, skype and video chat. This is the month when you easily express yourself emotionally and affectionately. You are moderately aggressive in your romantic pursuits. You may be inspired to add more glamour, passion and fun to your life. You're always your most attractive when you're happy, so set about finding what makes you love being alive. This is a time when you easily express yourself emotionally and affectionately and your sensuality.

Married Life:

This period brings love, romance and excitement in personal relations. Deep personal relations are likely to get closer and stressed or limited relationships are likely to fall apart. You extend your hospitality to family and friends as you entertain and organize get to gathers. You feel that you are now closer to your family and children. Close family relationships will be supportive and understanding. You may also display more responsibility towards your family. It is best to let go negative feelings about relationships and situations gone by. You should try to maintain cordial relationship with family and loved ones.

Children:

Relationship with children will remain cordial.
There will child birth in close family circle.
Your children will do well.

Health:

You may go through some health issues, and as a result your overall energy level may fluctuate. Good thing is that you won't be ignoring your health. You will have time to take care of your own self. You need to relax your mind and body both, being too active will surely make you feel drained. You should follow no hurry no worry policy while driving and travel.

You will be under the influence of the sub-period of Ketu from 28 February to 27 July 2019.

Career:

This period brings mixed effects. Results will not be up to your expectations this period. You will be involved in unnecessary work and will also encounter difficulties. Seniors and colleagues could be a bit tense so keep a reign on your emotions. Situations will soon be under control.

Finance:

Professional consistency shall remain high on agenda for you. Better not to disclose things till success is with you. Rise in expenses can bother you a bit during the period. Be careful about taking on increased expenses. The key is to spend less than you make so should you get a raise, keep your lifestyle affordable and stock some extra cash away.

Love Life:

You shall be dealing with some challenges and changes in your personal life. Your career and social life continue to keep you busy, barely leaving time for romance. While it can be tough at times, with the right boundaries and direct communication, you'll both become closer in the end. It's possible that you or your romantic partner could be kept apart due to work or family obligations. Fortunately, Skype and other video chat options are plentiful to get in touch.

Married Life:

This period brings mixed results. Family atmosphere may become a reason of stress and pressure. You might have some argument with your life partner. Avoid irritation with your life partner. Adjustments would be required to function optimally. Things may improve slowly.

Children:

You should try to maintain cordial relationship with children during this period.

Health:

Except for small hassles, you shall remain physically fit. You should however avoid mental disturbances. It is advised for you to maintain a balanced diet and a regular lifestyle and keep away from intoxicants such as smoking, drinking or chewing tobacco. Whatever health regime you start now, you can sustain it for few more years at least.

You will be under the influence of the sub-period of Venus from 27 July 2019 to 25 September 2020.

Career:

This is an excellent period. The people around you will realize your true worth and this will be gladdening to you and will be a strong motivating factor for you to keep giving your best consistently. This is the best period for you to travel. Just let go and enjoy the happiness that comes your way. At last you can relax and enjoy the success and the results of the hard work you had been doing for a long time. This period will also bring you in the midst of famous people. Your creativity will be appreciated by others.

Finance:

You may expect to receive some good news, such as an impending increment. Money may even flow in from some unexpected source, raising your spirits, and you may decide to splurge on the material desires of your near and dear ones. Rise in expenses may also bother you so you should set aside a substantial portion of your unexpected income for long-term investments.

Love Life:

This is an exceptional month overall for romance and affair. You will be in the mood for a vacation fling, parties, fun dates and moving around with a loved one. Spontaneous playfulness, singing, dancing, or lovemaking may add zest to your time together. Music and movement open you up. You are at your best to express yourself. So make use of this harmonious time and enjoy the placid level of love. Sensitive matters can be handled this time and sociability is favored.

Married Life:

Family atmosphere will remain harmonious and there will be love and harmony in close family members. The attitude of family members will be cordial towards you. You will be inclined to spend on luxurious life style. You will also get to hear some good news through communication. An auspicious ceremony could also be celebrated in the family.

Mutual love, understanding and physical attraction between you and your partner will act as an adhesive that will glue your relationship together. Both you and your partner will remain loyal to each other.

Children:

This is a favorable period.

You will attend the events of celebrations with family and children.

They will do well.

Health:

Overall, this period is predicted good for your health. For good health and digestion you should eat regular and small healthy meals and keep fruit and veggies handy. For maintaining good digestion you should depend more on green vegetables and less spicy food, fruits and milk.

You will be under the influence of the sub-period of Sun from 25 September 2020 to 31 January 2021.

Career:

This is a favorable period for you to work in your field of choice. A creative project could blossom during this period. This could be your one moment to step away from the crowd and shine. Teaching, Publishing or promotional efforts can be especially persuasive. If you are involved in higher education and creativity, you are likely to find that you are more focused and determined. You might have opportunities to further your education, to travel, or to expand your reach in profession.

Finance:

This would be an exceptionally exciting time as professional and business opportunities are offered to you are lucrative this time. You will considerably be more goal-oriented related to finances. A new project or goal began during this period will have a good chance of being successful and long-lasting.

Love Life:

This period is favorable. You may get romantic and show the one you desire most that she is special to you. Having a loving partner can be incredibly exiting since it involves plenty of opportunities to spend time with someone you like. However, for many couples, it can be hard to find things to do without quickly going broke! Rather than get stuck going out to dinner or lavishing each other with expensive gifts to show your love, consider some of the many interesting ways to spend time with your partner that are inexpensive (or free!), and create quality memories.

Marital Life:

This period is fabulous for you for many reasons. Your ambience is just so great, that things just seem to be sorting themselves out. All your household affairs are going around their respective orbits with perfect harmony. You may get more intimate towards a loved one and express your love and care. It is about reinforcing the feelings that already exist in the relationship. You may spend wonderful time accompanying each other through chatting, dinning out and go on a city drive.

Children:

Relationship with children will improve.
They will do well in their career.
You will be supportive to children.
You may hear a good new about the children in close family circle.
Your children will get married.

Health:

The pace of your life may be a bit hectic now, and if you're not used to it, it could make you a tad nervous. You are more inclined to seek a broad understanding of people and of your immediate environment. You should not take everything to your heart, remain calm and composed. Eat breakfast, and eat smaller meals throughout the day. A healthy breakfast can jumpstart your metabolism, and eating small, healthy meals throughout the day (rather than the standard three large meals) keeps your energy up and your metabolism going.

You will be under the influence of the sub-period of Moon from 31 January 2021 to 1 September 2021.

Career:

This will be an excellent period. You will achieve something special in your profession which will add to your respect. There are strong indications of a promotion and perhaps even a change of place. Luck will favour you and you will be able to complete difficult tasks. Rivals will not be able to harm you and you will get opportunities to make progress at work.

Finance:

This period is all about partnerships and efficiency. Joining forces with other competent, capable people will be your access to success. There could be a professional high point for you, and you could receive an offer, a promotion, or an opportunity to be publicly acclaimed for your work. If you're undercharging, up for a promotion, or seeking a new job, this is a gilded period.

Love Life:

This period is favorable for love. This is a great time to flirt, plan a few memorable dates, and go all out on the pleasure, glamour and affection. Commit to spending quality time together on a regular basis. Even during very busy and stressful times, a few minutes of really sharing and connecting can help keep bonds strong.

Married Life:

This period will be good for your family. All the family members will gather together and have a gala time. There will be a get together function in close family. You will enjoy this occasion with your near and dear ones. Home environment will be cool and healthy.

Children:

This is a favorable period for your children.
You may hear some good news.
Relationship with them will improve.

Health:

You'll be fresh, fit and fine. No major trouble is visible in your health. However, cough and cold can become normal for you. Herbal teas will soothe your frazzled nerves. Small amounts of protein can give you a boost. This fights stress and depression which you are expected to face during this period. Learn to relax, take up a hobby, socialize with friends and relatives. Fruits and vegetables are also the foundation of a healthy diet. They are low in calories and nutrient dense, which means they are packed with vitamins, minerals, antioxidants, and fiber.

You will be under the influence of the major and sub-period of Rahu from 1 September 2021 to 14 May 2024.

Career:

Your ideas are original and progressive. This is a time to follow your dreams and ideas, and to plant a seed in the form of a wish for the future. A job in sales, broadcasting, publishing, or teaching could be right up your alley now. Look for opportunities to increase your income with commission, to work remotely or perhaps to score a long-term freelance assignment. This is a favorable period for job opportunities in MNCs and agencies funded by foreign investors.

Finance:

This is a favorable period. You'll come up with some creative cash-boosting ideas. This could be the period you hear about the bonus, raise, or an exciting new position. You may suddenly decide you want to radically shift directions, and you might even leave your job and accept new offers.

Love Life:

This month is good for romance to be flourishing and your feelings are expanded. You should enjoy and delve into your emotional and artistic outlets. You will be in the mood for a vacation fling, parties, fun dates, or moving around with a loved one. A flirtation could turn into a full-scale affair. You'll have no problem attracting admirers or igniting the spark with your current love. Traveling together or finding other ways to expand and grow as a couple is the key of a successful relationship. Although you have a tendency to prefer being mysterious, open communication can be the key of success.

Married Life:

You shall be lucky on the home and domestic front. You will get good support of your family. The domestic environment will remain peaceful and you may go on a vacation accompanying family and children. It is also a good time to host auspicious functions at home. The influx of guests and social visitors at your home will increase.

Children:

This is a favorable period.
They will do well.
You will have cordial relationship with them.
Birth of child will bring happiness to you.

Health:

Except for small hassles, you shall remain physically fit. You should however avoid mental disturbances. It is advised for you to maintain a balanced diet and a regular lifestyle and keep away from intoxicants such as smoking, drinking or chewing tobacco. Fruits and vegetables help: Have at least five portions of vegetables and fruit a day, especially tomatoes, red grapes. Avoid eating at night. Try to eat dinner earlier in the day and then fast for 14-16 hours until breakfast the next morning. This simple dietary adjustment eating only when you're most active and giving your digestive system a long break each day may help to regulate weight.

You will be under the influence of the sub-period of Jupiter from 14 May 2024 to 8 October 2026.

Career:

Job matters will remain mostly below average and not entirely satisfactory. Work environment will remain disturbed and under pressure during this period. Risk taking tendencies should be curbed totally. You should avoid major activity during this period. If working as a professional, you may experience hurdles and challenges. There will be uncertainty and confusion. You will lack support from your own people.

Finance:

You might be working extra hard for extra money. Some decisions might be forced upon you by people who don't understand your concern. You should learn to say no, if you are not comfortable with certain things. Standing surety or a guarantee for others in legal matters should be avoided at all costs. Landing support from authority figures is easier at this time. Avoid the pitfalls of pride or arrogance standing in your way of success.

Love Life:

This period brings love, romance and excitement. Use this period to discuss those hidden feelings and fears that are blocking you both from taking things to the next level. This is the perfect time to surrender, give it up and let it go. Picture yourself releasing your past pain to helpful guides, white light, or whatever image offers a sense of relief. It's never too late to make a change. What happened in the past is not very important--it's the future you're eyeing now. It's possible to create/make a relationship that's both stable and exciting at once. You're feeling especially bold and brassy and get deeply enchanted by someone you love. A loving relationship will be more romantic than realistic.

Best Regards,
