General Readings:

Your Attitude:

Your birth ascendant is Cancer.

The symbol of Cancer is the Crab. The moon is the ruling planet of Cancer and the element is Water. Mondays are said to be lucky days for Cancer. Cancer strengths are adaptability, loyalty, genuine attachment to a family, and empathy. Weaknesses of Cancer include moodiness, sensitivity, and emotional outbursts and indecisiveness.

People assigned the sign of Cancer are genuinely moody and have ever changing emotions. One minute they may be laughing and having a good time and the next minute you may find them mad at the world. No one single emotion or personality can label a Cancer.

Cancer will often masquerade their emotions with humor. Laughing is a common disguise used by Cancer to hide signs of depression. Cancer will set their aspirations high. Constant struggles for success and achievement lay beneath the exterior shell of Cancer.

Yelling or harshly snapping at individuals born under Cancer can cause their hearts to hurt. They will either shed tears openly or just completely shut down when hurt. When a Cancer is hurt you will not be able to break through the exterior shell. Time is the only thing that can heal the heart of a Cancer.

You are domestic, emotional, sensitive, self-reliant, nervous, intelligent, very frugal, industrious, intuitional mind, perceptive, imaginative, talkative, attached to the family, hospitable, honest, loves justice and fairplay, fond of and dexterous in music, decisiveness, adaptable, psychic nature, easily impressed by feelings and thoughts of others and surrounding conditions, fertile imagination, psychic and mediumistic faculty.

You are Brilliant and strong, excellent and brightest at work and in family. Shows patience and courage at work, extremely strong, get wealth and fame on the strength of your own courage and bodily smart.

Your Health:

Except for small hassles, you shall remain physically fit. You should however avoid mental disturbances. It is advised for you to maintain a balanced diet and a regular lifestyle and keep away from intoxicants. Fruits and vegetables help: Have at least five portions of vegetables and fruit a day, especially tomatoes, red grapes. You should not take everything to your heart, remain calm and composed. You should follow no hurry no worry policy. Avoid rash driving and impulsive thinking. As a pedestrian you should take caution when crossing streets, intersections and standing on corners. You should also avoid get indulged in unnecessary arguments and avoid stress. Rest and some entertainment will help you extremely.

Next Two Years: An Overview [1 August 2014 - 31 July 2016]:

All predictions given hereafter are to be understood in light of the above observations and the fact that each result can be modified partly or fully by the transit position of various planets prevailing at any point of time.

Breakdown of the next 2 years into sub-periods of the planets:

As per the planetary combinations in your horoscope you are under the influence of the major period of Rahu and the sub-period of Moon from 7 April 2014 to 7 October 2015.

Moon is the ruling planet of the first house.

The first house represents the physical body, complexion, health, nature of an individual, longevity, the personal development of the person and the character as a whole. This house basically covers matters related to your personality, looks, attitude, temperament and basic strength of your horoscope.

Moon is well placed in the tenth house.

The tenth house is the most important house of the horoscope because it is the house of one's profession, rise in career, government, honors, respect and the dignity achieved by the native. This house basically covers matters related to your career, your karma & the kind of deeds, your authority and name.

The sub-period of Moon is favorable for these locations of your life.

The trend for you in this period is one of a tremendous creative and intellectual energy.

You will feel very romantic and will take your work as an art and reach out for new ideas. Contacts and communication will bring more opportunities and this adds to the great potential for expansion. Actions of courage and your sheer genius will bring you money and spirituality in equal measure.

This period will be good for your family. All the family members will gather together and have a gala time. There will be a get together function in close family. You will enjoy this occasion with your near and dear ones. Home environment will be cool and healthy.

This period will bring excellent professional opportunities, improvement in standard of living, purchases, love and harmony in relationships, purchase of house, home appliances and vehicles. You will spend wonderful life at home and outside.

The period of Moon will be favorable for making new connections, moving around with loved ones, short trips, creativity, hobbies and learning new things. You will be relieved of all your financial worries during this period.

This period indicates professional growth, financial gains, gains from property, celebrations in family, professional responsibilities, creativity, hobbies, gains from investments in fixed assets and property. You will buy your home during this period. This period is also good for love and harmony in relationships. There will be many celebrations, get to gether and family meet-ups during this period. Building a home or redecoration can be a passion and you will buy vehicles, electrical home appliances and enhance your standard of living. You will handle domestic issues with tact which creates a harmonious atmosphere at home and among family members. You adopt new styles and invest in cloths, ornaments, perfumes, beauty aids, spa and yoga to enhance your personality.

You will be under the influence of the sub-period of Mars from 8 October 2015 to 25 October 2016.

Mars is the ruling planet of the fifth and tenth house.

The fifth house is the house of education for a child, birth of children for a young person and spirituality in middle and old age. This house indicates worship of God. The fifth house represents the higher education, intelligence, emotions, karmas of previous life, change or break in professional life and Body Part: upper abdomen. This house basically covers matters related to your children, status and creative powers. This house also represents loving relationships, love marriage, social networking, authorship, media studies and creativity.

The tenth house is the most important house of the horoscope because it is the house of one's profession, rise in career, government, honors, respect and the dignity achieved by the native. This house basically covers matters related to your career, your karma & the kind of deeds, your authority and name.

Mars is placed in the third house.

The third house of the horoscope represents the siblings, efforts made by the native to achieve goals in life, short journeys, communicative skills, talent, servants, subordinates, longevity of parents, friends, social network, neighbors (good or bad relationship with them), right ear, shoulder, arm, letters and quick writing, all extra curricular activities like: sports, singing, dancing and painting. This house basically covers matters related to your initiative, courage, competition, communications ability, siblings, friends and other associates.

The sub-period of Mars will energize these locations of your life.

This will be an excellent period. Written tests, personal interviews and exams go well at this time. You will achieve something special in your profession which will add to your respect. There are strong indications of a promotion and perhaps even a change of place. Jobs in publications, media and academics will bring substantial growth.

A creative project could blossom during this period. This could be your one moment to step away from the crowd and shine. Teaching, Publishing or promotional efforts can be especially persuasive. If you are involved in higher education and creativity, you are likely to find that you are more focused and determined. You might have opportunities to further your education, to travel, or to expand your reach in profession.

You are sensitive, devoted and strong family person. You keep your commitments. Professionally, you have a busy life. You want to give due respect and love to all the relations but it is not easy to maintain that equilibrium all the time. Your family will be missing you as you will be busier professionally in this period. Try to spare some time for your loved ones and give them exclusivity.

You may develop some negative attitude towards your family. Be practical and understand that all the days are not same. Avoid any conflict if it occurs. Give due respect to your elders and love to youngsters. This is a favorable period for children. You may hear good news related to child birth. You will get interest in spirituality, higher learning and enhancing your skills. Health of an elderly person in family may suffer.

Keep a close watch on your temperament and swinging moods. Your negative approach towards particular people or situations may affect your health. Try to relax, and opt for relaxation massages or therapies. Schedule a check-up and make a major shift in your habits.

SUB PERIOD WISE DETAILED READINGS:

As per the planetary combinations in your horoscope you are under the influence of the major period of Rahu and the sub-period of Moon from 7 April 14to 7 October015

Career:

This could be an exciting time when you experience more independence, creativity and flexibility in your work life. Do what you do best while your professionalism shines through. If more than one opportunity of financial gain presents itself, choose the least risky and a permanent one. Your business contacts can help you progress. You may also have more commitments and responsibilities than usual. Jobs in publications, media and academics will bring substantial growth. A property transaction is also possible.

Finance:

There could be a professional high point for you, and you could receive an offer, a promotion, or an opportunity to be publicly acclaimed for your work. If you are in academics or media related sector, you can be especially successful and prosperous during this period. You will spend money on life style improvements.

Love Life:

A beautiful transit is favorable to be generous and affectionate to your partner. This enables you to show your love in many different and unique ways. Being generous involves being giving of yourself, but it also means being accepting of what's given to you. Be sure to show appreciation, even when gifts and acknowledgment are hard for you to receive. When it comes to the natural give and take in a relationship, it's important not to keep score. Being generous will make you feel warmly toward your partner and good about yourself, two elements that keep the spark alive.

Marital Life:

You will be sincere and loyal towards your family and children.

Overall love, understanding and mutual support shall increase. The domestic environment will remain peaceful and you may go for outing and vacation with family and children. You may find increased love and mutual understanding with spouse and will do lots of activities together.

Children:

This is a favorable period for your children.
They will progress in their life.
You may hear some good news related to children.

Health:

This period is likely to be absolutely trouble-free, as long as your health and fitness are concerned. You will be more conscious about your health and physical appearance. You will make conscious efforts to work on your body and fitness, your appearance will surely improve, and these changes will make you feel better about yourself.

This can be an excellent period for starting new regimens to better your health and well-being, such as regular exercise, more structured and productive use of your time, and so forth. Spending time with nature and in earthy activity is rejuvenating. Walking and gardening can be therapeutic pastimes. Meditate to maintain balance of energies. Water flushes out the toxins. A good amount of liquid intake helps the entire system and of course is best for curing skin ailments.

You will be under the influence of the sub-period of Mars from 8 October 2015 to 25 October 2016.

Career:

This could be an excellent period for improving your skills, objectively and identifying your weaknesses. You will improve your work methods or approach to daily activities. You may attend an online or part time course. An exciting job offer, recognition or promotion is possible. You could also be benefited through freelancing, social networking and creative work. If you are in academics or media related sector, you can be especially successful and prosperous during this period.

Finance:

Financially this is a favorable period. You may expect to receive some good news, such as an impending increment. Money may even flow in from some unexpected source, raising your spirits, and you may decide to splurge on the material desires of your near and dear ones. Rise in expenses may also bother you so you should set aside a substantial portion of your unexpected income for long-term investments.

Love Life:

This period brings mixed results to your love life. You may not feel quite satisfied with your partner. You may assume that your partner has a pretty good idea of what you are thinking and what you need. Remember your partner is not a mind reader. While your partner may have some idea, it is much healthier to directly express your needs to avoid any confusion. Getting in the habit of expressing your needs helps you weather difficult times, which otherwise may lead to increasing resentment, misunderstanding, and anger. You are advised to follow a more reconciliatory approach, where you don't clash with your partner.

Marital Life:

Some difference of opinion may cause confusion within close relations. Your irritation and ire will be the cause of confusion. Avoid discussing any sensitive topic with your family members as it could create confusion. Maintaining peace and harmony at your home will be solely your responsibility. Hence, you have to control variations in mood, and handle situations with a great deal of maturity. Health of a family member may suffer.

Children: (if applicable)

Relationship with children will improve.
You will have cordial relationship with them.
Your children will do well.
You may hear the news of child birth in close family circle.

Health:

You might get exhausted due to over work. It is natural that result of extra work is physical and mental strain. You need to be more proactive and follow a regular health regime to remain in the best shape. Regulate your lifestyle and everything that counts and you may see things getting better. Rest is also very important, and you tend to forget that. Eat local fruits and vegetables.

You should not take everything to your heart, remain calm and composed otherwise you might suffer from off and on health problems related to indigestion. Walk for Health: There is nothing better than walking. Walking a mile everyday, or taking reasonable exercise three times a week, promises to reduce the risk of heart disease, as well as strengthens bones and keeps them strong. Make sure you have whole-grain bread, rice or pasta at least four times a week. You should follow no hurry no worry policy while driving and crossing the streets.
