

Progeny Prospect Reading

Dear ABC,

THANKS FOR CHOOSING <http://www.indastro.com/>

We have been providing astrology consultation and advice on true vedic principles on the internet since 2000 and serviced over a million customers with our free and premium services. We have prepared Progeny Prospect Readings:

1.

General fortune with regard to children:

You will get delayed success in the matters of progeny.

The 2nd house rules raising a family, the 5th house rules conception and childbirth, and the 9th house rules the ovary, good fortune and the progress of lineage.

Your horoscope has certain fundamental afflictions to these important houses [the 2nd, 5th and the 9th houses] that rule progeny and all matters related to them.

Thus delay in childbirth is possible.

Also some obstruction to development of health, growth and attitude of child may be present in varying degrees but these will be generally within normal limits applicable to all.

Happiness of or from progeny may become restricted at certain stages but such happiness is not expected to be denied.

Relational equation with children will be quite satisfactory.

2.

Any hurdles that are present with regard to happiness in children related matters:

The 2nd, 5th and 9th houses from ascendant, Moon and karaka Jupiter and the lords of these houses in your birth chart, D_9 Navamsa chart and in D_7 progeny chart are variously afflicted.

Thus your ovaries may not always function adequately to produce sufficient number of healthy ovum and this can delay conception.

Further occasional miscarriage may or may not be possible.

The horoscope of your spouse [as estimated from your horoscope] also may not always support the cause of childbirth at the right moment when your generative system functions favorably.

This mismatch may cause overall delay in conception, some lost pregnancies through miscarriage and therefore delay in childbirth may occur but denial of progeny is not expected.

You may not get more than two children who will have generally normal health but may occasionally face digestive weakness.

3.

Level of success that children can achieve:

Your children will have normal health with minor functional ailments of common nature and they will grow well. They will be quite successful in education despite occasional obstructions, will set up decent careers and will earn very well.

They will develop well to reach very responsible career positions.

Their career will have some fluctuations and ups and downs but overall the growth curve of their career will be quite satisfactory.

They will earn quite well but may not be always able to hold on to their wealth.

Loss of money by them will occur through dissolute expenses on social life and other personal expenses, over generous charitable activities, and through wrong and hasty investment decisions.

They will look after the needs of their parents quite sincerely though they may not be too close to them. They will have active social life but level of true love may be somewhat restricted. Their marital life may not be consistently satisfactory but these will not be a threat to their marital life.

4.

Favorable periods:

The periods from mid 2016 to mid 2019, especially mid 2017 to mid 2018 will be very auspicious for conception and childbirth.

You will need to be ready for these periods and try in time so that you can utilize the time well with respect to your horoscope and also that of your spouse.

5.

Remedies:

Chant "Om Dhatre Namah" till the pregnancy happens.

After pregnancy is confirmed medically, change the mantra to "Om Vidhatre Namah" till safe delivery is achieved.

Perform both chants as frequently as possible, the more the better.

Even silent chanting will do.

Also chant "Om Durgaoii Namah" every day, 108 times in the morning and 108 times in the evening, till safe delivery is accomplished.

Best Regards,

Pt. Punarvasu
