- The fifth house is the house of education for a child, birth of children for a young person and spirituality in middle and old age.
- This house indicates worship of God. The fifth house represents the higher education, intelligence, emotions, karmas of previous life, change or break in professional life and Body Part: upper abdomen.
- This house basically covers matters related to your children, status and creative powers.
- This house represents loving relationships, love marriage, social networking, authorship, media studies and creativity.

- This period will energize these locations of your life.
- During this period you will take interest in polish up your performance or refine your skills and to enhance your social connections.
- This is a favorable period for you to work in academics/your field of choice. This could be your one moment to step away from the crowd and shine.
- Teaching, Publishing or promotional efforts can be especially persuasive. If you are involved in higher education and creativity, you are likely to find that you are more focused and determined.
- You might have opportunities to further your education, to travel, or to expand your reach in profession.
- Chances of change/transfer in job shall be there. Income and expenses would both increase swiftly during this period.
- Multiple sources could bring financial gains, particularly from past investments, property and inheritance. Parents would be financially supportive.
- While money would stream in rapidly from various sources, outflow would be equally quick. Spending on wasteful luxuries may cause some turbulence.
- If you are looking to invest, speculative investments could be considered.
- This will be a favorable period for buying an office, land, vehicle or making long term investments.
- If you are planning to sell your property, old vehicle or assets you will make good money out of it and your bank balance will also increase.
- Relationship with family and loved ones will remain cordial.
- Health of elderly parents needs to be watched. Birth of child will make you delighted.
- On the health front your energy level will be high and you should use it to complete pending tasks. However, you might suffer due to mental stress and strain.
- You need to be more proactive and follow a regular health regime to remain in the best shape.
- Regulate your lifestyle and everything that counts and you may see things getting better.

- Rest is also very important, and you tend to forget that. Eat local fruits and vegetables. Listen to your body.
- Ask yourself if you are really hungry, or have a glass of water to see if you are thirsty instead of hungry.
- During a meal, stop eating before you feel full. It actually takes a few minutes for your brain to tell your body that it has had enough food, so eat slowly.

You will be under the influence of the sub-period of Saturn during 4 December 2019-13 January 2021.

Saturn is the ruling planet of the ninth and tenth house.

- The ninth house basically covers matters related to your level of luck, interest in religion & spirituality and level of morality.
- This house is also called as the house of fate and destiny. This house signifies the father, luck, spiritual tendencies, devotion, learning, pilgrimages and association with religious people. In modern context this house indicates events management, show business, long distance trips, and jobs in voluntary organizations, charity, social network, global connections and jobs in multinational companies.
- The tenth house is the most important house of the horoscope because it is the house of one's profession, rise in career, government, honors, respect and the dignity achieved by the native.
- This house basically covers matters related to your career, your karma & the kind of deeds, your authority and name.

Saturn is in the fifth house and is in degree conjunction with Jupiter.

- The fifth house is the house of education for a child, birth of children for a young person and spirituality in middle and old age.
- This house indicates worship of God. The fifth house represents the higher education, intelligence, emotions, karmas of previous life, change or break in professional life and Body Part: upper abdomen.

- This house basically covers matters related to your children, status and creative powers. This house represents loving relationships, love marriage, social networking, authorship, media studies and creativity.
- This period brings a fabulous opportunity, luck, transformation, and good-karma kickbacks.
- Someone you helped could return the favor with a beautiful and unexpected hook-up.
- If you've held onto negative or limiting beliefs around money, you can shed some of that baggage.
- Keep the faith and be willing to experience miracles.
- You may get involved with a humanitarian project unexpectedly, or perhaps decide to learn some important new computer skills.
- You'll be particularly aware of the company you keep, and you could be making some changes.
- You shall be lucky on the home and domestic front.
- You will get good support of your family. The domestic environment will remain peaceful and you may go on a vacation/pilgrimage.
- You should however not do anything to invite the anger of your elders and should always choose the right path as luck is favoring you.
- It is also a good time to host auspicious functions at home.
- The influx of guests and social visitors at your home will increase. All the family members will gather together and have a gala time.
- There will be a get together function in close family circle.
- You will enjoy this occasion with your near and dear ones. Home environment will be cool and healthy.
- Your children will do well. You will see child birth in close family and friend circle.
- You will take interest in spirituality and spend money on family rituals, events of celebrations, worthy causes and pilgrimage.
- Health in general will remain good. However, the pace of your life may be a bit hectic, and if you're not used to it, it could make you a tad nervous.

- You are more inclined to seek a broad understanding of people and of your immediate environment.
- You should not take everything to your heart, remain calm and composed. It is advised for you to maintain a balanced diet and a regular lifestyle and keep away from intoxicants such as smoking, drinking or chewing tobacco.
- Fruits and vegetables help: Have at least five portions of vegetables and fruit a day, especially tomatoes, red grapes.
- Avoid eating at night. Try to eat dinner earlier in the day and then fast for 14-16 hours until breakfast the next morning.
- This simple dietary adjustment—eating only when you're most active and giving your digestive system a long break each day—may help to regulate weight.

- This will also be a good time to host auspicious functions at home. The influx of guests and social visitors at your home will increase.
- All the family members will gather together and have a gala time. There will be a get together function in close family circle.
- You will enjoy this occasion with your near and dear ones. Your children will prosper and get settled down. Birth of children in family will make you delighted.
- This period indicates a favorable phase for your finance and you may enjoy a profitable time.
- However, don't make extensive or detailed plans as they are likely to change suddenly.
- Your expenses are likely to increase so much that you may have to cut down on domestic expenses.
- However, you shall be able to strengthen your financial position by increasing your income from some source other than your regular source.

- This is a favorable period for gains from the past investments. You will be able to reap a good harvest from a property transaction.
- The past investments shall also mature and you may fetch a high value out of it.
- There will be gains from the passive sources of income from banking, long term investments, house rent and property transaction.
- Value of your assets will also increase. Cash inflow will be good, but you should keep a tab on your expenses.
- You may start to seek passive income, ways of making money while you sleep. Just beware of pyramids and get-rich-quick schemes.
- Avoid speculation and stock market investments.
- Avoid income from unjust means. Any occasional greed, haste, over confidence and showy behavior should be avoided.
- You should be helpful to others, have control over your own desires, ambitions and power. You should consolidate what you have already attained and should not be over ambitious for more.
- Your health will need care and attention. Practice yoga and meditation to relax your mind and body.
- You should opt for safer options to working out in the gym, as trying to go beyond the limits of your body is never a good thing.
- You should pay attention to your fitness and energy levels otherwise your efficiency and productivity may fall.
- You might suffer from urinary infection or problems in reproductive organs.
- You are advised to schedule routine health check-ups and be cautious of inherited and prolonged diseases.
- You should know you family history of diseases and get a treatment if any. A definitive change in eating habits and proper medication would effectively bring them under control.
- Health of elderly people in family may be a cause for concern.

You will be under the influence of the sub-period of Saturn during 10 November 2034-10 January 2038.

Saturn is the ruling planet of the ninth and tenth house.

- The ninth house basically covers matters related to your level of luck, interest in religion & spirituality and level of morality.
- This house is also called as the house of fate and destiny.
- This house signifies the father, luck, spiritual tendencies, devotion, learning, pilgrimages and association with religious people.
- In modern context this house indicates events management, show business, long distance trips, and jobs in voluntary organizations, charity, social network, global connections and jobs in multinational companies.
- The tenth house is the most important house of the horoscope because it is the house of one's profession, rise in career, government, honors, respect and the dignity achieved by the native.
- This house basically covers matters related to your career, your karma & the kind of deeds, your authority and name.
- Saturn is in the fifth house and is in degree conjunction with Jupiter.
- The fifth house is the house of education for a child, birth of children for a young person and spirituality in middle and old age.
- This house indicates worship of God.
- The fifth house represents the higher education, intelligence, emotions, karmas of previous life, change or break in professional life and Body Part: upper abdomen.
- This house basically covers matters related to your children, status and creative powers.
- This house represents loving relationships, love marriage, social networking, authorship, media studies and creativity.
- This is going to be a very good period for you. But at times, you may feel delay and obstacles in the process of obtaining success.
- You may fall short of the expectations that your superiors may have from you.
- But if you do work very hard and achieve all your targets, you will be fully justified in expecting a salary hike or a promotion, or even both.

- However, if you are contemplating a job change for whatever reason, you would do well to put off the decision for later as the planets are not much in its favor.
- Maintain the status quo as far as important career decisions are concerned.
- A lot of travel is on the cards, both to revive old contacts and also to gain new clients to spread your business far and wide.
- Long distant trips may turn out to be beneficial for business ventures.
- This will be a favorable period for buying an office, property or vehicle and any assets that requires heavy investment.
- You will spend money on home renovations, events of celebrations and purchase of vehicle and home appliances.
- Your genuine and constant efforts shall take you a long way in your personal and professional goals.
- Love in family, prosperity and progress of children will make you delighted. On the financial front worldly passions may add to your comforts but they may not always successfully add to your happiness.
- You look set to be spiritually inclined and will take interest in joining voluntary organization, group of religious people, come in contact with saints and spend on rituals and social causes.
- Your mind will be inclined towards religious activities, and you might make journey to sacred places.
- Professionally you will have a busy life.
- Do not neglect your health during all of the hard work to come; stay in good shape physically, mentally, and emotionally, and make sure your life is always balanced.
- Your emotional and spiritual well-being needs attention.
- You'll need to manage your stress levels, it's important that you get enough sleep, eat well, and keep yourself organized.
- Avoid over indulging in food or drink, as excess of any kind are best to be avoided.
- You will need to take special care of your digestive and reproductive health. Keeps your exercise routine and good eating habits up?

- Add more raw juice, fiber, and vegetables to your diet to keep your digestion healthy and indulge in deliciously prepared organic produce.

Opportunities and changes expected:

- You will get good opportunity for growth in career.
- Change to better job will be possible.
- Performance at work will be quite notable.
- Appreciation for performance is nearly assured.
- Good pay and further increase in pay will be yours.
- Accumulation can be much developed.
- Social life will be quite active and you will enjoy it.
- Generally normal health is expected through some care.

Challenges and suggestions:

- Professional relationship with seniors and colleagues may not be up to the mark.
- Problems can develop in social life and can cause loss of peace of mind and also money.
- You will do well to remain calm and collected.
- Avoid delaying important actions.
- Deal with your seniors at work with due respect and obedience.
- Cooperate to get cooperation.
- Spend and invest with due discretion and self control.
- Save regularly and avoid speculative investments
- Maintain control on social life and choose your friends wisely.
- If married, use your wisdom and fairness to develop your marital life.
- Give and take will be useful for all areas of life.

Remedies:

- Worship on Saturday as per your religious faith.
- Give donation to an orphanage or voluntary organization for elderly people on Saturday.
- Visit to temple/place of worship on Saturday evening and worship God as per your religious faith.
- Keep fast on Saturday and have only one meal after sunset. Keep fasts for atleast 40 Saturdays. This fast should be started in the brighter half of the lunar month.
- God Saturn should be worshipped and oil may be offered in temple on every Saturday at the time of sun-set. Perform prayer of Shani Dev. Chanting of Shani Chalisa will be good. Offer him black sesame, violet flowers [if not available then you can use red rose or marigold but never use white, pink or cream flowers] and offer panjiri (a sweet made of wheat). A mustard oil lamp should be lighted under a peepal tree.
- Iron, black collyrium (kala surma), mustard oil, leather shoes, black cloth, black grain etc. should be donated on Saturday. It may include donation of Shani articles like mustard oil, black sesame and apologies for the known and unknown ill karmas done by you. [Because Saturn is planet of punishment and gains its strength in Libra whose symbol is scales- it scales the evil and bad karmas and punishes the person].
- (As an option you can give donation to an old age person (or old age home) you can even donate black cloths, black footwear and eatables).
- The Almonds and coconut should be caused to flow in the river or running water, on Saturday.
- You can take milk, tea, fruit etc till sunset. Break the fast after performing prayers in the evening. After sunset you can eat the panjiri along with normal satwik food i.e. food excluding salt, onions, garlic, tomatoes, etc.
- Do not drink milk on Saturday night.

Blessings,

Pt.Punarvasu
